

Dolomites, Italy

March 8th – 15th 2025

Join SKIBACS for an unforgettable trip to the Italian Dolomites, staying in the quaint village of Corvara, part of the Alta Badia ski area and larger Dolomiti Super Ski area. Skiing in the Dolomites is an amazing experience, seamlessly blending ski slopes with breathtaking natural beauty and culinary delights. Nestled in the northeastern part of Italy, the scenery in this UNESCO World Heritage Site is nothing short of spectacular. Towering limestone cliffs, dramatic rock formations, and dense forests paint a picture-perfect backdrop for skiing adventures. The Alta Badia ski area and nearby slopes (like Arabba and Val Gardena) are perfect for all levels of skiers. For those seeking an unforgettable skiing experience, tackling the Sella Ronda is a must. This legendary ski circuit encompasses four mountain passes and three valleys, looping around the mighty Sella Massif. The village of Corvara is well positioned to start off your Sella Ronda journey.
